Gawler Carnival

Two Tea Tree Gully teams nominated to play in the Gawler carnival on Sunday the 9th of May. Unfortunately they did not have enough senior teams for our senior nomination to play but Tobie Steen's Junior team competed. Congratulations girls on finishing fifth. With some tough competition this is a great result.

Team Photos This season the club has decided it might be a good idea to have team photos. These were taken on the Wednesday 26th of May, the night went smoothly. Thank you to all the coaches for helping sort out the girls.

All photos which were ordered on the night and any ordered before cut off will be distributed at end of season presentation. Further orders are available using the attached order form. Cut off for all orders will be the 9th of June. Please give your order form and money to Heather Fleet before this time.

Thank you to Suzanne Kent for taking the time to take the shots for the Club.

Team Timetables As most would be aware TTGNC has a great website. This season we have added a teams timetable. So if you happen to lose your time table, check out the team schedule on our website.

Merchandise As you all should be aware we have various team merchandise items available for sale. The merchandise list, photos and order forms are on our website. For further merchandise information please contact Leanne on her mobile: 0428 829813 or by email: leanne@teatreegullynetball.org.au

Clothing is usually available to try on for sizing prior to ordering if required. Please see us at training on Wednesday evenings from 5:00pm

Grading Committee In the last 5 years our club has increased it's players numbers from less than 80 to over 220. As such we recognise we need to formalise our grading process and will be forming a Grading Committee. This Grading Committee will be in charge of organising and running the trials, grading and notification process. The Grading Committee will appoint and supervise team selectors, which could also include people independent of the club.

Our General Committee will be meeting in the next few weeks to form the Grading Committee. As such the General Committee invites you to document any comments or suggestions which will be considered when deciding how we will run trials and grading in the future. Any suggestions can be either emailed to sec@teatreegullynetball.org.au or given to Heather Fleet or your coach to pass on to the committee.

The Committee values your input.

The importance of a good bra As some of the girls may know we have a bra guru within our club in Philippa (our Vice President). She's asked that all girls be reminded of the importance of wearing a properly fitted sports bra.

Product Knowledge - Bras

- **Sport**
Wearing a sports bra when exercising is important. Testing at the AIS has revealed that an unsupported 12B bust can bounce up to 8cm, and a 16DD bust up to 19cm during running.
- Features of Sports Bras include supportive fabrication with mesh panels for breathability, wider straps and crossover back for added support.

Appropriate Running Shoes Another highly important piece of sporting attire is a good pair of running shoes. This does not include Dunlop Volleys which some girls have been wearing. A pair of cross trainers is best, these provide the proper support for all the running the players do and help to avoid injury. Wearing inappropriate shoes can lead to serious injury.
