Grading Committee

Last season the club introduced a grading committee to place players in teams based on ability and player combinations. Overall the introduction of the grading committee to our club was a success.

With over 200 players it is not always easy to keep everybody happy, but we do the best we can. Any feedback on the process is welcomed by the committee as we need to know what worked well and where things can be improved.

Next season there will be a club nomination night held prior to the grading nights where all nomination forms and deposits will be required to be paid. This ensures that the grading committee can be as organized as possible. Those who submit forms on this night will be placed on court and have first preference to be placed in a team. Players who fail to submit a nomination form on nomination night will not be able to grade and will be put on a waiting list.

The grading committee would also request that parents remain outside the courts at all times. This will reduce the crowds and allow the night to run as smoothly as possible.

Any concerns with team placement at any time need to be direct to the grading committee via an email through our website or a letter

Club Fundraising

Billy G's Cookie Dough

Next year the club is organizing a Billy G's cookie dough fundraiser where you will be able to buy buckets of yummy cookie dough to bake cookies at home. More information will be available in the New Year.

Mmmmmm..... My mouth is watering just writing about it

Identity Direct

Our club has an ongoing fundraising deal with identity direct. Identity Direct produces a range of personalized products, including personalized story books, labels, stamps and much, much more.

Check this out online at: www.identitydirect.com.au

To contribute to the clubs fundraising use the special fundraising code: **4649666**, when you go to the checkout

Scoring, Timing and Primary Carer

As you should all be aware our coaches rely on the support of parents, partners and friends to assist in timing, scoring and being the primary carer. We would like to thank all that assist in this. Anyone over 15 under districts bi-laws is able to assist in these duties.

It can be quite difficult (especially for seniors) at times to get people to help out and each coach has their own systems to try and make it as fair as possible. Please do your best to support our coaches so they can focus on the girls and their improvement. If you are unsure how to perform any of the duties please don't hesitate to ask your coach to help out.

Quiz Night

The committee is looking at having a quiz night in the New Year and is looking for donations from club members (players, parents and associated people). If you think you may be able to help out please drop us and email at sec@teatreegullynetball.org.au or let Heather Fleet know how you could help out.

More information will be available in the New Year.

Merry Christmas and a Happy New Year

Well it is almost that time of the year again, when the jolly old man visits and we bring in a new year. The committee would like to wish all the Tea Tree Gully Netball Club members a **happy and safe festive period**.

Please note the returning dates on page 1 of this newsletter and be aware that the first Friday night games start on the 28th of January which is the Friday before school returns.
