

Be the team everyone wants to watch, but no one wants to play against

Winter 2017 Trials

Newsletter February 2017
Issue 6

Our winter trials are currently underway. Unfortunately due to the heat we had to postpone our Sub Junior and Juniors trials pushing them all out an extra week. As players can feel a bit nervous at this time I thought I may share with you the "Four Factors" that come into Team Placements.

1. The Grading Committee watch games throughout the current season
2. Positions you play (can't have a full team of GA's)
3. Coaches Feedback forms
4. Trials

If you have any concerns with Trials or Team Placements could you please put it in writing and email it to our club secretary or registrations officer. All concerns will be addressed at the Grading Committee Meetings and you will be notified thereafter of an outcome.

Good Luck with your trials!

Club Coach News

"Coaching is a Privilege"

"It is an amazing opportunity to guide someone to realise their potential, to grow, to succeed and above all to enjoy life through sport."

Our Club Coach Kay recently attended the Coaches Conference at Priceline Stadium – we look forward to her sharing all her knowledge gained at this event and bringing it back to make our club even better.

Club Champion Corner– Congratulations to Maddie Wise from our Junior 1 Team for being selected in the Northern Metro Academy, we wish you well.

Good luck to all the teams heading into Finals. If you were not lucky enough to make the finals make sure you head down to the courts and support your club – wearing your team colours!!

Club Coach – Kay Morcombe

Umpire News

We would like to thank all of our umpires for their dedication and professionalism in taking these positions. Claire Ferguson embarked on her very first game Friday night alongside Sue McCulloch who has umpired for us for many many years. We wish all the girls in the Green Shirt program the very best and we know you will be great, as they begin their journey towards accreditation and a C Badge Qualification.

Know Your Club!

Find our Club Coach Kay Morcombe with the answer! Winner will receive a free pass to Latitude.

Who is our Club Secretary? *Hint: she also coaches a sub primary team*

Last Months Q&A – S. Buckingham

Q: What Year was TTGNC Founded? And who is still actively involved even today??

A: 1949 with movement into SADNA Competition from 1986. Heather Fleet is still actively involved with the club.

Over the last 7 years the podiatrists at AC Podiatry have helped over 12,000 people with their foot and general health. We have done this by providing the services listed below.

Our podiatrists complete a minimum of 30 hours of continued professional development per year, which is 50% more than is required to be registered as a Podiatrist in Australia. In addition to this, membership to organisations such as the Australian Podiatry Association, Sports Medicine Australia and the Australasian Academy of Podiatric Sports Medicine, ensure that we have the very latest in treatment options available to help you.
